

**R.A.D. BASIC PHYSICAL DEFENSE INSTRUCTOR CERTIFICATION**

Flo Combs and Peg Campbell are still at it!!!! You'll want your department to be part of the certification process (upon successful completion) to teach the R.A.D. System of Basic Physical Defense for Women. This intense 3 day, 30 hour instructor program is a cost effective way to obtain your own self defense instructor(s), and offer a structured, proactive crime prevention self defense program to women in your community. This is the most comprehensive program of its kind, and now your agency can utilize its basic, tailored format as part of its overall crime prevention /community policing partnership. Our instructor program is dynamic in every way and will challenge every participant. The course is taught in a relaxed environment that is conducive to learning tested instructional technique, proven tactics and unique insight about the problem of violence against women. Our program also includes physical defense workouts for technique development and an evening exercise that is designed to simulate confrontational circumstances. From awareness and risk reduction to simulation training, this program covers it all! Registration includes all program materials, a 125+page instructor's curriculum, certificate and one year of The Instructors Voice. Tuition for the program is \$400.00.
