REPLICATING ADVERSE DYNAMICS INSTRUCTOR CERTIFICATION

Designed to teach self-defense instructors and personal protection specialists the fundamentals of replicating adverse dynamics in self-defense training environments; this state-of-the-art program is an absolute must for any self-defense educator. This course explores the most critical issues of simulation training, concentrating on productive drills and scenarios, implementation of those drills and scenarios, supervision and safety. This reality based scenario driven program covers situational dynamics from one on one hand-to-hand confrontation, multiple subject encounters and weapon defense training issues. Instructors will learn how to expand their program's capabilities and take their training to the next level of reality based intensity. Graduates will be able to conduct dynamic, realistic and safe simulation exercises in most self-defense training venues. Registration includes an Instructor Curriculum and Instructor Certificate. **Tuition for this program is $450.00.** Pre-payment is required to secure your position in this important program.
