November 17-18, 2025

SUNY New Paltz Student Union Building

Room 62-63 Student Union Building

1 Hawk Drive New Paltz NY 12561

Replicating Adverse Dynamics Instructor Certification SIMULATION TRAINING FOR THE SELF DEFENSE EDUCATOR. Designed to teach self-defense instructors the fundamentals of replicating adverse dynamics in female self-defense training environments. This state-of-the-art program is an absolute must for any self-defense educator. This course explores the most critical issues of simulation training by concentrating on productive drills and scenarios, implementation of those drills and scenarios, supervision, and safety. This reality-based scenario driven program covers situational dynamics from one-on-one hand to hand confrontation, multiple subject encounters, and weapon defense training issues. Instructors will learn how to expand their programs capabilities and take their training to the next level of reality-based intensity. Graduates will be able to conduct dynamic, realistic, and safe simulation exercises in most self-defense training venues.
